Declaration Under C.F.R. 1.132

I, J. ROY NELSON hereby declare the following:

1. I am over 21 years of age.
2. I have a Ph. D. in Polymer Science.
3. I am a co-inventor of the above-identified application, entitled "Disposable Insect Control Member."
4. I am also a co-inventor of U.S. Patent No. 6,568,123 issued to Nelson et al. ("the '123 patent").

{M:\3031\0j066\00068914.DOC *30310J066* }

5. I am aware that an Office Action was mailed by the Patent Examiner on September 17, 2003 in the above-identified application, and that the Office Action includes rejections of several of the application's claims based on the '123 patent.

6. I have reviewed the disclosure contained in the portions of the '123 patent used by the Patent Examiner to reject several of the subject application's claim, specifically, col. 8, lines 33-39, col. 9, line 7, and col. 11, line 66, as well as the dark and white pattern in Fig. 4.

7. All of the subject matter described in the foregoing portions were invented by me and Lantz S. Crawley together.

8. Wayne N. Andrews holds a degree in entomology. He did not contribute to the subject matter in the portions cited by the Patent Examiner. He contributed to parts of the Nelson et al. patent which were not relied on in the September 17, 2003 Office Action.

9. All statements made herein of my own knowledge are true and these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
